Dr. Edward Huang ACP posted a blog post: April Actions for Walkable & Healthy Communities
We urban designers & planners advocate the development of walkable and healthy communities. Walkability & health are planning issues and design criteria when come to development of physical space and facilities in

FORUM

What an amazing PARK(ing) Day this year!
THANKS TO ALL THE PARTICIPANTS FOR MAKING ANOTHER SPECTACULAR PARKING DAY! This year we saw the first PARK(ing) Day in Johannesburg, South Africa! In Louisville, KY PARK(ing) Day was extended.

PARK postings on google map 1 Reply
Hello PARKERS! We have received some emails about PARK postings not appearing on the google map. The problem is google map has a limit to how many pins there can be on a single map page and...

Is anyone else having an issue with the Google Map? 19 Replies
I've reached out to Rebar but haven't gotten a response. We can't just
